HANDBOOK

2022/2023

WELCOME

We are so glad that you want to serve in Kids Ministry with us! Firstly, we want to thank you for giving of your time and energy to come and serve kids and families with us. Even if we have the most capable staff, we cannot run our multi-classroom ministry without the help of leaders like you. Our team has so much appreciation and thankfulness for everything that you do.

Our hope is that you feel supported and equipped for ministry. Our Children's Coordinators are here and available for any questions or needs you may have in the duration of your time serving. For pastoral questions or issues, feel free to contact the Children's Pastor and go from there. We want you to know that our team is accessible and eager to come alongside you to encourage, comfort, or equip you as you lead with us.

OUR VISION & VALUES

At Central, we love kids because Jesus loves Kids! And it is our desire to lead children to become authentic followers of Jesus by loving God, loving people and serving the world. We feel the best way to accomplish this goal is by helping children form a solid spiritual foundation.

GOSPEL STORYTELLING

We value the power of the Gospel to bring children into a saving relationship with Christ and we value teaching the Gospel story with spirit-filled passion and imagination to help embrace Christ and begin walking with him.

EMBRACING CHILDREN

We value being a church that embraces children and shows them Jesus love through our words and actions. Our hope is to create engaging and safe environments that nurture effective learning and spiritual growth.

BIBLICAL LITERACY

We value children as "students of the word" and we desire to be a church that helps kids learn and grow in the core teachings of the faith. Our hope is to give kids a firm foundation in Scriptural truth, and to help families prioritize Bible engagement in their homes.

GATHERING TO CELEBRATE

We value gathering children and parents together to celebrate Jesus and build community. Our hope is to help children and families be shaped by the community of faith and build lifelong friendships.

SHINING A LIGHT

We value children as one of the tools God uses to bring Jesus' love, joy and truth to a dark world. We hope to give kids and their families opportunities to "shine their light" and show the love of Jesus to the world around them.

"Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving."

COLOSSIANS 2:6-7

- **Praying** – Pray for the kids in your class/small group throughout the week.

MINISTRY ROLES & DESCRIPTIONS

NURSERY

Volunteers must be 16+ to serve in the nursery. This is a great opportunity to support and build relationship with parents. Our nursery volunteers take care of infants from 5-24 months for the duration of the service. Volunteers can read Bible stories, pray over children, sing songs, and play with kids—ultimately blessing and showing love to Jesus' littlest ones and parents. We ask nursery volunteers to arrive 15 minutes before service start time.

PRE - K

Volunteers must be 11+ to serve in Pre-K with supervision by an adult leader. Lesson Plans will be provided in classroom, describing scheduled activities and games for the morning. Each craft, game, or activity is chosen with the intention of reinforcing the Bible Story that week, and we ask that every Grade School Leader follows the lesson plan to the best of their abilities. All Pre-K children join together for large group singing and teaching.

GRADE SCHOOL (GRADES 1-5)

Volunteers must be 14+ to serve in Grade School ministry. We follow a Lesson Plan that is provided to each leader and describes every activity planned for the morning. Each craft, game, or activity is chosen with the intention of reinforcing the Bible Story that week, and we ask that every Grade School Leader follows the lesson plan to the best of their abilities. Worship and storytelling is always done in a large group, then grades may be divided, depending on campus.

STORYTELLER

Volunteers must have a complete understanding of Gospel Storytelling, believe in the absolute truth and authority of Scripture, and agree with Central's Statement of Faith. Our Kids Ministry Staff commits to providing any resources necessary for the preparation of the Bible Story. Storytellers must attend one training event per year that is exclusive to all Storytellers.

ABUSE PREVENTION POLICY

POLICY STATEMENT

Central is committed to providing a safe environment by preventing harm to those in our care. We declare zero tolerance for abuse and neglect, and we also want to protect our children and youth ministry workers from false allegations.

ABUSE & HARASSMENT POLICIES

A "Two Adult Rule" and/or "Open Door Policy" is required for all staff/volunteers to maintain in order to prevent or discourage abuse incidents.

INAPPROPRIATE DISPLAYS OF AFFECTION

- Kisses
- Sitting on laps (this does not apply to nursery aged children)
- Showing affection in isolated areas such as empty classroom, bathroom, etc.
- Wrestling or tickling
- Piggyback rides
- Compliments or comments that relate to physique or body development
- Any form of unwanted affection

Appropriate displays of affection to children can look like side hugs, sitting beside a child, high fives, fist bumps, handshakes, affirming good behavior, patting a child's back to comfort or encourage him/her.

INAPPROPRIATE DISPLAYS OF AFFECTION

- Any physical harm or hurt inflicted upon the child
- Shouting, demeaning or belittling language

PARENT CONTACT

If a child is crying, needs a diaper change, or needs parental attention, parents must be contacted via our number call system. This may be on an iPad, Kids Check-in Computer, etc. Please contact your coordinator to learn how your campus runs number call.

SECURITY STICKER LABEL

Each child is given security sticker during check in, and must be wearing it on their clothes before being dropped off in Kids Ministry. The sticker has a unique code to the household for safe pick up, and parent has a sticker with matching code to confirm identity. The sticker also contains special medical notes and information. Please ensure kids wear this for the duration of kids ministry. Always check the parents' tag matches with the child's before releasing children to parents' care. If unsure, ask a Children's Ministry Coordinator or Pastor before releasing child.

WASHROOM GUIDELINES

The following are guidelines to be used to ensure safe use of washroom facilities. Children's Ministry Volunteers are to see that they are enforced as far as it is possible to do so.

Nursery

- No diapers are to be changed by nursery volunteers at any time. Parents must be contacted if their child needs to be changed.

Pre/K:

- Parents are encouraged to make sure that their children use the washroom prior to service.
- Sometimes it is necessary for a child to visit the washroom during service.
- Preschoolers are to be taken by the leader (who has a Criminal Record Check) while the student/parent helper is left to manage the classroom. Children are not to be left unattended.
- The leader should check to see that the restroom is empty, then send the child/children in and wait by an open exterior door. The door to the hallway must always remain open.
- Children should have as much privacy as possible. If child needs assistance, call a parent to help the child if time allows, or contact a staff member to proceed.
- Door must remain open at all times.
- Diapers are to be changed in designated areas by a parent of the child only.

Grades 1-5:

- Child must always alert a leader they need to use the washroom before leaving.
- Children should be sent to the washroom and are encouraged to use the individual bathroom across from the help desk. Leader is to wait outside of the bathroom and then usher the child back to the classroom.

SUPPLIES

Each class is equipped with basic supplies for the morning such as lesson plans, craft supplies, activities, etc. Please return supplies to their appropriate location at the end of each session. Should supplies be low, please inform the Children's Ministry Coordinator.

INFORMATION FOR NURSERY ONLY

- In the case of a baby crying for 10 minutes or more, please contact parent to come and comfort the child. Please check parent's security label matches child's before releasing child.
- Please refer to sign in sheets to confirm that infant is allowed to have a snack.
- Parents are welcome to stay in nursery with their child at any time. If they do not have a volunteer application/criminal record check completed, they must only care for their own child. If they have completed required forms, they are welcome to help with other children in class room as well.

FOOD & SNACK GUIDELINES

2 Yrs - K

Due to multiple allergies, we are only serving snacks that are peanut-free. A gluten-free option is available. No outside snacks are permitted at this time. The child's label should have any food allergies written on it; please check labels and ask child of any allergies before giving them a snack. If the child alerts you to an allergy, but the label does not contain any allergies, page the parents using the child's tag number to confirm with the parent.

Grade 1 - 5

Snacks provided in Kids Ministry are permitted and served occasionally. We try to ensure a peanut-free facility due to allergies. Most children at this age are aware of their own allergies. However, as a back-up, most allergies are noted on the child's security label. Please ask before giving a snack.

FIRST AID KITS

Basic First Aid Kits are available for minor injuries in the classrooms, at the Welcome Desk or Kids Help Desk. Please see the Children's Coordinator for assistance. Don't forget to fill out an Incident Report Form if a medical incident occurs. Forms are available at the Kids Help Desk and the Welcome Desk.

FIRE OR OTHER EVACUATION

Each campus' response will look different based on the location. Please refer to the Children's Pastor or Coordinator to find out your location's Emergency Evacuation Plan.

- In the case of a fire or other evacuation, all children should be taken by class to the designated meeting spot (found in your building's Emergency Evacuation Plan) and kept with their leaders until a guardian or parent picks them up.
- If your attendance sheets are in your room, please take them with you. Take attendance when you get to the field and notify a Kids Ministry Coordinator if a child is unaccounted for. Check children off the list as they are released to parents.
- Nursery volunteers can place babies in a playpen (if available) and roll playpen to designated assembly area.
- Toddlers to Kindergarten children can link hands or use rope if accessible to lead children out of building.
- Call 911 as soon as possible.

THREATING PERSON OR SITUATION

- If you have cause to believe a threatening person enters the building, close and lock the door to the classroom, bring children away from doors and windows, acting as calm and normal as possible.
- Call 911.
- Wait until a Children's Ministry Staff member tells you things are cleared and you can unlock the doors.

KIDS HELP DESK

Those who serve at the Kids Help desk are called to welcome Central's Kids and Parents with a friendly smile! They assist parents in registration: signing in their child(ren) and putting printed security tags on children who are newborns - Kindergarten. They help direct children to their age-appropriate classes. They know where first aid kits are stored. They close and re-open the fire doors at the appropriate time to ensure safety. They also know how to use the paging system should the need arise for a child who requires parental attention. The Help desk volunteer can contact the parent via the child's tag number and direct the parent to the right class. These volunteers help facilitate a safe and secure environment for all of Central's children!

TWO FINAL WORDS - THANK YOU!

Children's Ministry would not be possible without individuals like you! As a Children's Ministry staff, we are here to help and support you in whatever way we can. Please feel free to stop by or call the office at any time. We are here to serve YOU as together we serve our kids.
